Before any petition praying for leave to bring in a Private Bill for the erection of a toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the causes of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, 26 ems by 50 ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

APPLICATION FOR AMENDMENT OF POLLUTION CONTROL PERMIT PE-1989

THIS APPLICATION is to be filed with the Director of Pollution Control, Parliament Buildings, Victoria, B.C. V8V 1X4.

Any person who qualifies as an objector under section 13 of the *Pollution Control Act* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or where service is required, within 30 days of serving a copy of the application, file with the Director at the above address an objection in writing to the granting of an amendment, stating the manner in which he is affected.

Preamble—The purpose of this application is to amend Pollution Control Permit PE-1989 by substituting Copper Beach Estates Ltd. as permittee in place of Anacanda Canada Limited and deleting District Lots 2001 and 1583 under section (e) Appendix 01, described erroneously as "land from which the effluent originates".

Copper Beach Estates Ltd., 16th Floor, 595 Burrard Street, Vancouver, B.C., hereby applies for amendments, as described below, to Pollution Control Permit PE-1989, granted on September 29, 1977, which authorized the discharge of 45,000 gallons (205 cubic metres) from a municipal sewerage system located at Britannia Beach, B.C., to Howe Sound.

Amendments Requested:

The present permittee under Pollution Control Permit PE-1989 (permit) is Anaconda Canada Limited. The municipal sewerage system covered by the permit, and the real property to which the system relates have been purchased by Copper Beach Estates Ltd. It is requested that Copper Beach Estates Ltd. be named as permittee and the Anaconda Canada Limited be relieved of any further responsibilities under the permit.

It is further requested that section (e), Appendix 01, be amended to reflect the fact that the municipal sewerage system to which the permit applies is situated only on District Lots 891 and 892 and is not located on, nor does it service, District Lots 2001 and 1583.

This application, dated on February 14, 1980, was posted on the ground in accordance with the Pollution Control Regulations.
